

5th & Hill Neighborhood Rights Campaign Community Meeting

The 5th & Hill Neighborhood Rights Campaign is dedicated to protecting the health of the neighborhood and the rights of the community in relation to the toxic site owned by Ameren, located at 5th and Hill Streets in Champaign.

You are invited to attend the upcoming meeting of the 5th & Hill Neighborhood Rights Campaign. The Campaign has been actively working to protect the rights of the community and to find out more information about the Ameren toxic site.

Please join us for this Campaign meeting, where we will discuss:

- updates on Ameren's site remediation for the 5th & Hill property and the neighborhood;
- updates on the physical security of the site and children's safety;
- information on how residents can request to have their residence/property tested for toxic contamination.

Come and learn what you can do to help! All are welcome!
