

Carle Clinic Protest Chants – 11/20/07

What do we want?!
HEALTH CARE!
When do we want it!?
NOW!

No Health Care... NO PEACE!

1... 2...3...4...
Carle Clinic open your doors!
5... 6... 7... 8...
Please do not discriminate!

Hey hey, ho ho,
discrimination's got to go!

Give our children better lives...
now's the time to organize!

Don't be greedy! Serve the needy!

Health care for all!
Health care for all!
Health care for all!

Carle Clinic is unfair!
All we want is our health care!

Carle Clinic: rich and rude!
We don't like your attitude!

Carle Clinic play it straight!
Why do you discriminate?

Were the pilgrims here today,
would you turn them all away?
