

## **Champaign-Urbana Clinical and Consumer Dialysis Group Mission Statement and Principles**

The Champaign-Urbana Clinical and Consumer Dialysis Group includes staff, patients and caregivers, advocates, and others involved in the Champaign-Urbana Dialysis Center. The mission of the Champaign-Urbana Clinical and Consumer Dialysis Group is to promote and ensure:

- the highest quality clinical dialysis care for Clinic patients;
- the provision of compassionate care to meet the needs of all Clinic patients;
- the patients' right to have a voice in their health care; and
- the patients and caregivers voices and participation in the governance of the Clinic.

*To accomplish this, the C-U Clinical and Consumer Dialysis Group will:*

- Work collaboratively with a commitment to ensuring the highest quality dialysis health care;
- Solicit and value the wisdom and active participation of patients, caregivers, all staff, and advocates;
- Promote equity in dialogue and decision-making; and,
- Emphasize problem-solving.
