

# FACES OF HEALTH REFORM

## *How Health Reform Will Help...*

Problem: Ernest is uninsured and cannot afford to purchase health insurance in the individual market.

Health Reform Solution: Health reform legislation will provide tax credits to help consumers obtain affordable insurance coverage. Ernest will be able to use those savings to shop for individual health insurance through a national health exchange, like Congress does.

**WE WANT YOU TO VOTE YES FOR HEALTH REFORM!**

**Faces of Health Reform is a project of the Champaign County Health Care Consumers' (CCHCC) Health Care Access Task Force. To be a Face of Health Reform or learn more about health reform, please call 217-352-6533 or go to [www.healthcareconsumers.org](http://www.healthcareconsumers.org).**
