

National Health Reform Educational Workshop

Congress passed new national health care reform legislation in March 2010, with many new regulations taking effect this year. Champaign County Health Care Consumers is organizing in-depth workshops to provide consumers with detailed information on the most asked about health reform topics. These workshops are designed to provide you with consumer friendly information about the national health reform law and how it will affect you. Join us for the final workshop in the series!

Finding Affordable Health Care: Local Programs & Resources
