Dental Referral Program

Phone: (217) 352-6533

Address: 44 E. Main, Suite 208; Champaign, IL 61820

Office hours: Monday - Friday 9am - 5pm

Clients can receive dentures through Champaign County Health Care Consumers' Dental Referral Program (DRP). The DRP is a discounted dental program for low-income adults without any dental insurance. The first appointment with the dentist is \$15, and after the initial consultation, people can receive discounts of 20, 40, or 60 percent off of dentist's fees.

Discounts on dentures and other procedures that involve laboratory fees (ex. crowns or partials) are discounted at a slightly different rate than other procedures. The dentist's fees will be discounted at 20, 40, or 60 percent off (as with other procedures), and members may be able to receive some discounts on the laboratory fees. Individuals that are interested in getting dentures through the DRP should call our Consumer Health Hotline at (217) 352-6533.

SIUE Dental Clinic, SIUE School of Dental Medicine

Phone: (618) 474-7000

Address: 2800 College Ave; Alton, IL 62002

Website: <http://www.siue.edu/dentalmedicine/patients.shtml>

To become a patient in SIUE you have to call them and give them your name and address. After two weeks that you contacted them they will call you to set up an initial screening appointment to determine whether you can be treated in the dental clinic or not. The cost of this screening appointment is \$96.

If an applicant is accepted as a patient, the first treatment appointment is scheduled at the screening appointment. Total treatment will take about three trips to Alton, and each appointment will take about three to four hours. All appointments take place in Alton and payment is due in two parts: half at the second appointment and half at the time you get the dentures. The cost of an upper or lower denture starts at \$524 - if a student does it - or \$661 - if a resident does it. There is a 1-month waiting list to get the dentures done.
