

MEDICARE OPEN ENROLLMENT

Dates: October 15 - December 7

During this time you can change your Prescription Drug Plan or Medicare Advantage Plan. You can select a new plan online at **Medicare.gov** or by calling Medicare at **1 (800) 633-4227**. You can also work with a Community Health Worker at CCHCC.

Questions to ask while comparing plans or deciding to keep your current plan:

- Does this plan cover my doctors?
 - Will it cover my medications?
 - Can I afford the monthly premium?
 - Can I afford the yearly deductible?
 - Are there specific benefits that I am looking for?
 - How are the benefits that I know I will need covered (x-rays, specialist visits, lab work)?
-

What you need for Open Enrollment:

- Your Medicare Card
- Your list of doctors (names and phone numbers)
- Your list of medications (we recommend using your pill bottles)
