*Executive Director*  
Paulette Colemon  
Adriel Cisneros  
Dustin Duncan  
Anne Gargano  
Allison Jones  
Gloria Kim  
Jeff Machota  
Megan McClaire

## **CCHCC launches new website!**

– by Allison Jones

Over the last year, CCHCC staff have been working hard to update and make improvements to our website. We have recently finished a complete overhaul of our site with great results! Besides making the website much more colorful and user-friendly, we have also added many new features.

We have added an Events Calendar, where you can check out upcoming CCHCC events, and an online Store, where you can purchase CCHCC t-shirts, tote bags, and key chains. We have also gained the ability to accept online contributions via PayPal.

On our new website you can also find updates about our organizing campaigns, download CCHCC-authored reports, and read the CCHCC newsletter. We also plan to continue to grow and expand our website, so check back often!

CCHCC staff and board would like to give very special and heartfelt thanks to our website creator, Mike Cruz, for all of his hard work on this project.

Please visit our website today at  
<http://www.healthcareconsumers.org>

The screenshot shows the homepage of the Champaign County Health Care Consumers website. The header includes the organization's name and tagline: "Champaign County Health Care Consumers - Grassroots Organizing for Health Care Justice Since 1977". A navigation menu lists "Home", "About Us", "Get Involved", "Resources", and "Support Us". The main content area features a "Check out our redesigned website!" announcement, a "CCHCC Celebrates 30 Years of Community Organizing" section with a "30 years" graphic, and an "Access to Care Crisis in Champaign County" section. A sidebar on the right contains a search bar and a "Support through program 2007 Ad Support" link.
